#### Notes to the Condensed Consolidated Interim Financial Statements

Three-month period ended at 31 March 2023

### (1) Nature, Activities and Composition of the Group

Tasty Bidco, S.L. (hereinafter, "the Company" or "the Parent Company") was incorporated as a limited liability company in Spain on 4 October 2018 with the registered name Global Mastodon, S.L. for an indefinite period, and on 12 December 2018 it changed its registered name to the current one. The Company's registered office is located at Calle Isla Graciosa, 7, San Sebastián de los Reyes, (Madrid, Spain).

On 21 December 2018, KKR Creditor Advisors (US) LLC, the main shareholder of Food Delivery Brands Group, S.A. (formerly, Telepizza Group, S.A.), through Tasty Bidco, S.L., announced its intention to acquire all the shares in Food Delivery Brands Group, S.A., in order to delist the Company from the Spanish stock market. The price offered was Euros 6 per share. The takeover was approved by the Spanish National Securities Market Commission (CNMV) on 28 April 2019, the results were made public on 9 May 2019, and the process concluded on 13 May 2019. As a result of the takeover, Tasty Bidco, S.L. became the main shareholder of Food Delivery Brands Group, S.A. and therefore Grupo Tasty Bidco, S.L. and subsidiaries (hereinafter, the Group or the Food Delivery Brands Group) was incorporated on 13 May 2019.

The statutory activity of the Company consists of carrying out economic studies, promoting sales of all types of products on behalf of the Company or third parties, including door-to-door advertising, import and export of all types of products and raw materials, manufacturing, distributing and commercialising products for human consumption and leasing machinery and equipment. The aforementioned statutory activities can be entirely or partially carried out, directly or indirectly, through the holding of shares or interests in companies that perform these activities either in Spain or abroad. The Company shall not carry out any activities that are subject to specific legal conditions or requirements without complying in full therewith.

The core activity of the Parent Company is its ownership interest in Food Delivery Brands Group, S.A. and the provision of corporate and strategic management-related services on behalf of Food Delivery Brands Group, S.A. and other Group companies.

The principal activity of its subsidiaries consists of the management and operation of retail outlets under the brand names of "Telepizza", "Pizza Hut", "Jeno's Pizza" and "Apache", which sell food for consumption at home and on the premises. At 31 March 2023, this activity was carried out through 508 own outlets and 1,845 franchises (528 own outlets and 1,840 franchises at 31 December 2022), located mainly in Spain, Portugal, Chile, Colombia, Ecuador, Mexico and Ireland. Furthermore, the Group also conducts its business via the master franchises located in Guatemala, El Salvador, Costa Rica, Peru, Honduras and Puerto Rico, among other countries.

As part of the revised agreement with YUM Pizza Hut International, at 1 January 2024 the Group will relinquish its master franchise rights for Latin America and the Caribbean (excluding Brazil, Colombia, Ecuador, Mexico and Chile) and therefore will transfer the direct management of Pizza Hut franchisee operations in the aforementioned territories.

#### Notes to the Condensed Consolidated Interim Financial Statements

Three-month period ended at 31 March 2023

The Group purchases cheese in Spain through a supplier with whom it has signed a long-term exclusivity agreement and agreed a minimum annual volume. This agreement offers flexibility and enables optimum inventory management. Through its factory and logistics centre in Daganzo (Madrid), Food Delivery Brands, S.A. supplies all the outlets in Spain and Portugal that are directly operated by the Group or through its franchises. The Group also owns another 5 plants in countries where it manufactures dough and it operates through more than 20 logistics platforms. The high volume of purchases gives rise to economies of scale and facilitates the uniformity of the products purchased.

The franchise activity consists mainly of advising on the management of third parties' outlets that operate under the "Telepizza", "Pizza Hut", "Jeno's Pizza" and "Apache" brand names. The Food Delivery Brands Group receives a percentage of its franchisees' sales (royalties) for these services. The Group centralises the promotional and advertising activities for all the outlets operating in certain territories under the aforementioned brand names and receives a percentage of its franchisees' sales as advertising revenues. In addition, the Group subleases some of the premises in which its franchisees carry out their activity and provides personnel management services, such as preparing the payroll for some its franchisees.

The master franchise activity includes the operations carried out in those countries in which the Group does not operate directly because it has signed a contract licensing the "Pizza Hut" brand to a local operator. Master franchise contracts entitle the master franchisee to operate in a specific market, enabling them to open their own outlets or to establish outlets under franchise agreements.

### (a) Relevant events in 2023 and 2022

- In June 2022, the Group implemented a restructuring plan for the Pizza Hut business in Spain, which involved the closure of all its proprietary stores in Spain. However, the Pizza Hut brand continues to have a presence in Spain through the existing network of franchised stores (see Note 4).
- At the end of November 2022 the Group launched a strategic review to analyse potential financing alternatives with its creditors in order to address the impact of adverse market conditions and boost the Group's future growth. To perform this review the Food Delivery Brands Group hired Kirkland & Ellis and Uría Menéndez, as legal advisors, and Houlihan Lokey, as financial advisor.
- In February 2023, the Group entered into a framework agreement establishing the essential elements for the restructuring of the Group's financial indebtedness (the Framework Agreement), as well as an Interim Financing Agreement, with a group of holders of the Group's senior secured bonds (the AHG), which then represented 67% of the bonds, for the execution of the restructuring of the existing debt. (see Notes 13 (a) and 23).

Notes to the Condensed Consolidated Interim Financial Statements

Three-month period ended at 31 March 2023

- The terms of the Framework and Interim Financing Agreement in February 2023, included the AHG's commitment to provide interim financing of up to Euros 31 million to cover the Group's liquidity needs meanwhile the restructuring process was carried out, as well as the temporary suspension, granted on 16 January, on the obligation to pay the interest on the senior bonds due on that date until 15 April 2023. The interim financing were fully drawn down by the Group.
- In April 2023, the Group agreed on the main commercial terms of the restructuring of the existing debt with the AHG, to which additional holders of the Group's senior secured bonds joined to reach 81.7% of the bonds, through a modification of the Framework Agreement. The commercial terms of the debt restructuring foresaw, among other things, a partial capitalization of the bonds and a 100% dilution of the current shareholders, as well as the establishment of a new financing loan for an amount of Euros 60 million that will replace the Interim Financing provided in February 2023. The financial restructuring is expected to be formally ratified by the Courts during the second half of 2023.
- In addition to having the support of bondholders, that represented 81.7% of the total bonds, and the two main shareholders of the Group, that represent near to 100% of the capital, the Group continued having productive discussions towards an agreement with the creditors of the revolving credit facility line, the entities providing other working capital financing and the main lender of the ICO loans, with the objective that other creditors voluntarily join to the Framework Agreement.
- Once the necessary agreements have been reached with the Group's financial creditors, the restructuring plan will be signed, and the Group's current debt will be reduced by an amount to close to 250 million euros (approximately 50%) and will benefit from an extension of the amortisation deadlines until 2028.
- The new financing committed for an amount of Euros 60 million will be available to the Group on the restructuring effective date of the refinancing and will be used partially to repay the Interim Financing already provided for an amount of Euros 31 million and provide liquidity to the Group. A contribution of the current main shareholders of the Group will be also added to such amount.
- Furthermore, the creditors agreed to an additional extension, until 16 October 2023, of the temporary suspension granted last 16 January in relation with the interest payment on the senior bonds payable on that date and 17 July 2023, as well as an extension of the deadline for the release of the 2022 financial results and the Q1 interim results unaudited until 31 July 2023.
- On 26 June 2023 the Group have obtained an additional commitment of interim financing up to an amount of Euros 8,532 thousand to pay professional fees to Lender Advisors and Group.

Notes to the Condensed Consolidated Interim Financial Statements

Three-month period ended at 31 March 2023

On 14 July 2023 the Group has approved its restructuring plan after an agreement reached with its current shareholders and more than 90% of the bondholders. The plan, validated by the expert appointed by Madrid Commercial Court no. 5, have been submitted for court sanction by that court. The restructuring plan approved involves a simplification of the Group's corporate and operating structure, in addition to a reduction of its net debt by almost 250 million euros, and the extension of the maturity of its remaining financial debt to December 2028. The creditors affected will be able to capitalise their claims and acquire control of the entire share capital of the Group, which the current shareholders have agreed to exit. Those creditors who opt not to capitalise their debt will receive consideration in terms materially equal to the shares that they would have received in such case and that would permit them to benefit from a potential future divestiture.

### (i) Agreements with YUM!

On 31 December 2022, the Group reached an agreement with Pizza Hut International, LLC ("PHI") to amend certain key aspects of their strategic partnership and master franchise agreements entered into in 2018. As part of the revised agreement, PHI has initiated a process to regain direct management of Pizza Hut franchisee operations in Latin America and the Caribbean (excluding Brazil, Colombia, Ecuador, Mexico and Chile), while the Group will strengthen its presence in its core markets. Upon completion of this transfer, which is expected to occur on 31 December 2023, the Group will relinquish its master franchise rights in the aforementioned territories (Latin America and the Caribbean, subject to the aforementioned exclusions). In addition, the Group and PHI agreed to make certain adjustments to its opening targets per market, as well as the royalty streams that will materialise gradually over the term of the partnership. The Group will continue to operate its network of stores in Spain, Andorra, Gibraltar, Portugal and Chile, and will evaluate its strategic options in Mexico, Colombia and Ecuador – including the possible transfer of its operations in some of these territories.

The effects on the global economy of the Covid-19 pandemic and the geopolitical uncertainty in Europe led to significant increases in commodity and energy prices and distortions in supply chains, which have significantly affected the Group's business. The duration and intensity of the pandemic and the inflationary spiral that began in the first half of 2022 limited the Group's ability to pass on to its franchisees and end consumers the increase in the Group's operating costs resulting from these factors.

As a result, and on the basis of the strategic review implemented by the Group, in 2022 a new business plan were drawn up which includes the effects described above in the cash flow projections for the coming years. The Company recognised in 2022 an impairment of goodwill of Euros 165,254 thousand.

Likewise, in the aforementioned business combination, the contractual rights arising from franchise contracts amounting Euros 167,421 thousand were recorded at fair value.

#### Notes to the Condensed Consolidated Interim Financial Statements

### Three-month period ended at 31 March 2023

The "Telepizza" brand and the "Apache" brand were both deemed intangible assets with indefinite lifetimes, while the "Jeno's Pizza" brand was finite lifetime as one of the obligations included in the agreements reached with Pizza Hut was that all of the Group's outlets in Colombia be converted to the "Pizza Hut" brand. However, as a result of the early exercise of the purchase option by Yum! Brands on the bare ownership of the "Telepizza" brand, the usufruct of the brand has become finite and therefore has started to be amortised over its remaining useful life, which coincides with the usufruct period.

At 31 March 2023 and 31 December 2022, the Group has no commitments to purchase intangible assets.

The deferred tax assets recognised in the consolidated statement of financial position at 31 March 2023 and 31 December 2022 mainly correspond to tax loss carryforwards generated by the Group companies Food Delivery Brands Group, S.A., Food Delivery Brands, S.A., Mixor, S.A.

Other deferred tax assets mainly relate to non-deductible provisions and impairments of trade receivables.

The Group has recognised deferred tax assets in respect of tax credits for loss carryforwards and deductions available for offset because the Directors consider these credits to be recoverable. This assumption is based on the business plans approved by the Directors. Due to the restrictions established in tax regulations on the deductibility of finance expenses, the tax group in Spain has been generating positive taxable income and will continue to do so in the next years.

Based on estimated profit and loss for the coming years, the budgets approved by the Board of Directors, and considering the estimated tax adjustments to be applied to accounting profit or loss, the deferred tax assets recognised are expected to be recovered in 2027.

In the case of Spanish companies and under Royal Decree-Law 3/2018, the limits for the offset of tax loss carryforwards were amended to 25% on the taxable income. Nevertheless and in any event, tax loss carryforwards up to a maximum of Euros 1 million may be offset in each tax period.

#### Notes to the Condensed Consolidated Interim Financial Statements

### Three-month period ended at 31 March 2023

Details of deferred tax liabilities by item are as follows:

		Thousands of Euros				
Deferred tax liabilities	Accelerated depreciation/a mortisation	Intangible assets	Other	Total		
Balance at 31/12/2022		80,776	414	81,190		
Taken to the income statement		(506)		(506)		
Balance at 31/03/2023		80,270	414	80,684		

The deferred tax liability related to intangible assets is due to the tax effect of various intangible assets, primarily trademarks, and the contractual rights that arose as a result of the business combinations in prior years, as explained in Note 8. In the case of intangible assets with a definite useful life, this deferred tax is reduced every year as the intangible assets are amortised and will not generate any cash outflow from the Group.

In addition, pursuant to current legislation, taxes cannot be considered definitive until they have been inspected and agreed by the taxation authorities or before the inspection period of four years has elapsed. In addition to those mentioned above, at the date on which these consolidated annual accounts were authorised for issue, the principal Group companies have open to inspection by the taxation authorities all main applicable taxes and income tax since 1 January 2016.

Due to the treatment permitted by fiscal legislation of certain transactions, additional tax liabilities could arise in the event of inspection. In any case, the Parent's Directors do not consider that any such liabilities that could arise would have a significant effect on the Interim Financial Consolidated Statements.

### (23) Event after the reporting period

In April 2023, the Group agreed on the main commercial terms of the restructuring of the existing debt with the AHG, to which additional holders of the Group's senior secured bonds joined to reach 81.7% of the bonds, through a modification of the Framework Agreement. The commercial terms of the debt restructuring foresaw, among other things, a partial capitalization of the bonds and a 100% dilution of the current shareholders, as well as the establishment of a new financing loan for an amount of Euros 60 million that will replace the Interim Financing provided in February 2023. The financial restructuring is expected to be formally ratified by the Courts during the second half of 2023.

In addition to having the support of bondholders, that represented 81.7% of the total bonds, and the two main shareholders of the Group, that represent near to 100% of the capital, the Group continued having productive discussions towards an agreement with the creditors of the revolving credit facility line, the entities providing other working capital financing and the main lender of the ICO loans, with the objective that other creditors voluntarily join to the Framework Agreement.

On 26 June 2023 the Group have obtained an additional commitment of interim financing up to an amount of Euros 8,532 thousand to pay professional fees to Lender Advisors and Group.

Notes to the Condensed Consolidated Interim Financial Statements

Three-month period ended at 31 March 2023

On 14 July 2023 the Group has approved its restructuring plan after an agreement reached with its current shareholders and more than 90% of the bondholders. The plan, validated by the expert appointed by Madrid Commercial Court no. 5, have been submitted for court sanction by that court. The restructuring plan approved involves a simplification of the Group's corporate and operating structure, in addition to a reduction of its net debt by almost 250 million euros, and the extension of the maturity of its remaining financial debt to December 2028. The creditors affected will be able to capitalise their claims and acquire control of the entire share capital of the Group, which the current shareholders have agreed to exit. Those creditors who opt not to capitalise their debt will receive consideration in terms materially equal to the shares that they would have received in such case and that would permit them to benefit from a potential future divestiture.

### Corporate background – the Food Delivery Brands Group

Telepizza was created in 1987 as a family business. Since opening its very first outlet in Madrid in 1988, the Group has gradually ramped up its activities and expanded internationally.

In 1992, Telepizza opened its first pizza dough production plant in Guadalajara (Spain) and its first outlets in Poland, Portugal and Chile. Telepizza was listed on Spain's stock exchanges in 1996 via initial public offering. In 2004, Telepizza began its digital expansion in Spain and, four years later, in 2008, Telepizza relaunched its telepizza.es website to improve home delivery.

In 2007, the Company was delisted from the Spanish stock exchange following a delisting tender offer launched by the private equity fund Permira and other partners. Telepizza continued its international expansion, entering into master franchise agreements in Guatemala, El Salvador and the United Arab Emirates in 2009. In 2010, the Group acquired the Colombian pizza chain Jeno's Pizza, the country's biggest pizza chain with 80 outlets, and in the subsequent years the Group opened its first outlet in Peru and entered the airline catering sector. In 2012, Telepizza established its presence in Ecuador. In 2013, Telepizza expanded its network of franchises in Panama, Russia and Bolivia. In 2014, the Group gained a foothold in Angola. After observing a greater reliance on technology among its customer base, in 2015 Telepizza developed "Click & Pizza", an online delivery service, and started creating smartphone applications.

In April 2016, Telepizza was again listed on the Spanish stock market and continued its international expansion, announcing its entry into new markets in EMEA and Latin America, under the Telepizza brand, and Ireland, under the Apache brand. In December 2018, Telepizza signed a strategic agreement with Yum! Brands, making it the largest master franchisee of Pizza Hut in the world.

### The partnership with Yum! (Pizza Hut)

In June 2018, the Group signed a strategic partnership and multi-country master franchise agreement between Telepizza Group (now Food Delivery Brands) and Pizza Hut to accelerate their joint growth in Latin America (excluding Brazil), the Caribbean, Spain, Portugal and Switzerland.

Following the approval of the transaction by the European Commission's competition authorities on 3 December 2018, the global alliance and master franchise agreement with Pizza Hut was signed and came into force on 30 December 2018.

Pizza Hut, a division of Yum! Brands, Inc. ("Yum! Brands"), is the world's largest pizzeria company with more than 18,000 restaurants in over 100 countries. As a result of the partnership, on 30 December 2018 Telepizza operated a total of 1,011 Pizza Hut outlets (in addition to its current 1,620 network outlets and including the 38 outlets in Ecuador acquired prior to formalisation of the agreement), thus making it the largest Pizza Hut master franchisee in the world by number of outlets and a leading pizza operator worldwide with an ambitious growth plan in the coming years.

### Directors report

#### 31 March 2023

As part of the agreement, Telepizza granted a purchase option on the bare ownership of the "telepizza" brand, which would be exercisable 3 years after the signature of the agreement. In financial year 2021, Pizza Hut International exercised the aforementioned purchase option and, as originally agreed, the Food Delivery Brands Group retains the usufruct of the "telepizza" trademark and its exclusive right to use it.

On 31 December 2022, the Group reached an agreement with Pizza Hut International, LLC ("PHI") to amend certain key aspects of their strategic partnership and master franchise agreements entered into in 2018. As part of the revised agreement, PHI has initiated a process to regain direct management of Pizza Hut franchisee operations in Latin America and the Caribbean (excluding Brazil, Colombia, Ecuador, Mexico and Chile), while the Group will strengthen its presence in its core markets. Upon completion of this process, which is expected to occur on 31 December 2023, the Group will relinquish its master franchise rights in the above territories (Latin America and the Caribbean, subject to the aforementioned exclusions). In addition, the Group and PHI agreed to make certain adjustments to its opening targets per market, as well as the royalty streams that will materialise gradually over the term of the partnership. The Group will continue to operate its network of stores in Spain, Andorra, Gibraltar, Portugal and Chile, and will evaluate its strategic options in Mexico, Colombia and Ecuador – including the possible transfer of its operations in some of these territories.

As part of the recapitalisation of the Group, the Company's General Meeting of Shareholders, held on 17 June 2019, approved the distribution of an extraordinary dividend charged to unrestricted reserves amounting to Euros 130,936,882.70, which was allocated by certain investors to the partial repayment of their purchase loans.

Furthermore, on that same date, the General Meeting of Shareholders of Telepizza Group, S.A., approved the delisting of the shares from the Madrid, Barcelona and Bilbao stock exchanges.

### Alternative performance measures

This report includes various financial and non-financial metrics used to better explain the performance of the Group's business.

- Chain sales: Chain sales are the retail sales of our own outlets, plus those of the franchised outlets and master franchisees.
- LFL sales growth: LFL growth is chain sales growth after adjustments for openings and closures of outlets and at fixed exchange rate.
  - O Adjustment. If an outlet has been open for the entire month, we consider it to be an "operating month" for the outlet in question; if not, that month is not an "operating month" for that outlet. LFL sales growth only takes into account the change in an outlet's sales for a given month if that month was an "operating month" for the outlet in the two periods being compared. The scope adjustment is the percentage variation between two periods resulting from dividing (i) the variation between system sales excluded in each of these periods ("chain sales excluded") because they were obtained in operating months that were not operating months in the comparable period by (ii) the chain sales for the prior period as adjusted to deduct chain sales excluded from such period ("adjusted chain sales"). This gives the actual changes in chain sales between operating outlets, eliminating the impact of changes between periods due to outlet openings and closings.
  - o Fixed exchange rate. We calculate the system's LFL sales growth on a constant currency basis to eliminate the impact of changes between the Euro and the currencies in certain countries where the Group operates. To make this adjustment, we apply the average monthly exchange rate in Euros for the most recent operating month in the period to the comparable operating month of the previous period.
- **EBITDA:** EBITDA is earnings before interest, tax, depreciation and amortisation.
- Adjusted EBITDA: Adjusted EBITDA is EBITDA adjusted for non-operating costs, other adjustments that have no impact on cash flow, non-recurring costs relating to severance pay linked to restructuring, non-recurring costs related to the restructuring and refinancing process, and the partnership with Pizza Hut.
- **Non-operating costs:** Expenses, linked mainly to onerous leases, which are not operating leases.
- Non-recurring costs: Extraordinary expenses associated with outlet closures, the revised agreement with Pizza Hut, severance payments relating to restructuring, and extraordinary expenses as a result of the Group's restructuring plan and the new financial structure (financial advisory cost, legal expenses and others).
